Commencement . . .

During the four years that we, the class of 1948, have spent within the portals of Armijo, we have experienced many pleasant occasions upon which we can now, as Seniors and graduates, look back and reminisce. As Freshmen we were timid and shy, but as time passed we acquired more confidence. Within this book we have preserved in writing and pictures some of the outstanding events of our Senior year, the leading students, our classmates and friends. After we have left the warm and friendly walls of Armijo for the adult world, we shall be able to look at this La Mezcla and turn time back to those exciting days when we had at last reached the goal of Seniors and graduates.

Class of '48

We, the class of 1948, are now at the end of the Armijo Trail. Entering as mere papooses many moons ago, we were beset with many trials and tribulations. To help us to meet these war parties, we chose as our leaders the papooses Pat Vest, Terry Williams, and Velma Simmons. While we were still very young, we were welcomed into the tribe with a heap big war dance, better known as the Freshmen Reception.

We continued to grow in both stature and knowledge and soon found ourselves entering the second mile of the Indian Trail. Feeling more secure, we now decided that it was time for us to present a war dance, copied from a tribe across the seas, the Spanish. We elected the Little Chieftains Barney Bryan, Ida Cignetti, and Susan Grotheer to carry out the various tribal ceremonies.

The third mile found us stronger and fleeter than ever following the new leader, Mr. Wiser. Our tribe could be found represented in every tepee along the Armijo Trail. We had the honor of giving a powwow and war dance in honor of the Big Chiefs of Armijo, the Juniors and Seniors. This was proclaimed one of the best in years, adding another feather to our already large headdress. As our Chiefs, we chose Wally Magill, Ina Claire Freitas, Deloris Williams.

Now we are completing our fourth mile and have risen to the highest of all positions—that of Big Chiefs of the Armijo Reservation. To guide us along this last lap, we elected Heap Big Chiefs Manuel Perez, Mary Hall, and Ina Claire Freitas. We are now allowed to deck ourselves with war paint and have our pictures taken so that our faces may be remembered along the Armijo Trail. The biggest feather in our headdress for the year was the presentation of the Senior Play, in which Indian Dramatists were allowed to show their prowess as thespians.

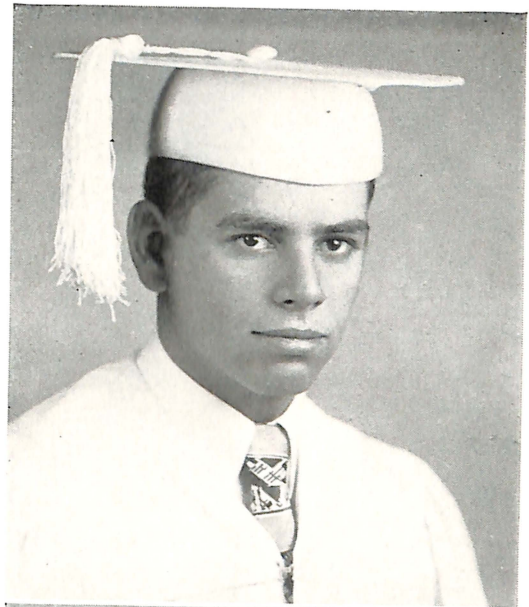

We have come to the end of our Armijo Trail which is crowded to overflowing with the memories of our varied and sundry activities. Along this trail, we have spent four happy years. Although we are soon to be scattered by the great winds along many near and distant trails, the Indians along the Armijo Trail will tell and retell of the success and bravery of the tribe of 1948.

Junior Class

One of the most outstanding activities of the school year is the Junior Prom sponsored annually by the third year students. The Prom is the first formal affair of the year and is lavishly decorated around a colorful theme. This year the Prom was held on Friday, April 9th, in the Boys' Gym. Other class activities were sponsored by the Juniors under the instruction of their class advisor, Mr. James Barkley.

Sophomore Class

Armijo's second year students, the Sophomore class, once more were the sponsors of the Sophomore Hop. A very original theme, "King Neptune's Night Life," was used, and the gym was elaborately decorated for the occasion on the night of February 27 when the second class dance of the year was held. The Sophs chose Ronnie Thompson to reign over the dance as "King Fish," while his queen was Iris Niles. Sophomore activities were supervised by Mrs. Phyllis Wood and Mr. O. C. Spohn, class counselors; and class officers, Ronnie Thompson, Stewart Slocum, and Gary Blanc.

This year the Freshman class, under the able direction of its counselors, Miss Mary Jean Davis and Mr. George Quetin, were welcomed upon the threshold of their high school life, and became acquainted with Armijo High School activities. On Friday, October 24th, 1947, the Frosh were welcomed by the students and faculty when the annual Freshman Reception was held in their honor. At the first meeting of the Freshman class, elections were held for class officers with George Earll, Bessie Hall, and Ruby Lee Huck elected to fill the offices during their first year in Armijo.

Dramatics Class

"WHY I AM A BACHELOR" proved to be a very unusual play made up of one act, with four individual scenes. The hero and heroine of the play were Al Faria and Bev Belon, with Manuel Perez as the narrator. The second play of the season was "LET'S MAKE UP," another one-act comedy. The leading cast was: Leone Crawford, Velma Simmons, Al Gonzales, and Ernie Moretti. "THE CHRISTMAS PAGEANT" consisted of the entire dramatics class, combined with the Glee Club, presented in five scenes, with Melba Wiser as narrator. "MY COUSIN FROM SWEDEN," was an all-girl comedy in one act with lead parts played by Melba Wiser, Bev Belon, LaVonne Loney, Lenora McGraw, and Anita Thornton. A more serious drama was "THE VALIANT," presented in one act, with the main characters: Manuel Perez, Ernie Moretti, Al Faria, and Melba Wiser.

The Senior play was another success added to the list of performances presented by the dramatics class. The play was a sparkling comedy in three acts, entitled "BROTHER GOOSE." The play was based on a story of a young man who inherits the responsibility of raising his two younger sisters and a younger brother, and is therefore known as "Brother Goose." It proves to be a very hectic task raising a family of girl-crazy, riddle-crazy, football-crazy kids, but everything turns out for the best in the end.

Football

The Armijo Varsity football team under the supervision of Coaches Ed. Hopkins and Wes Pangburn had a good, but not quite a championship season. The Indians won 3 games lost 3 games and finished in second place in the league. They scored 94 points to their opponents 52 points.

The first practice game played on the Indian's field found the Dixon Rams winning by the score of 20 to Armijo 0. In a night game played against Acalanes, the Indians lost 13 to 0. The third practice game, played at San Juan on a sloppy field, found the Armijo team leading all the way, the final score being Armijo 13-San Juan 9.

The first league game played at Benicia at night found the Indians turning on the steam in the second half and scalping the Panthers by the score of 38 to 0. In the game played against the Rio Rams, the Indians were leading at half time 6 to 0; but in the second period the Rams broke loose with two touchdowns making the final score 13 to 6. In the annual Armistice Day classic the Indians walloped the helpless Vacaville Bulldogs to the tune of 37 to 0.

Varsity Basketball

SOUTHERN SECTION HOLDERS

The Armijo Varsity, last year's County Champs, had a good season this year, winning the Southern Section Championship, but losing the Northern Section to Dixon in the final tilt of the season by a score of 36 to 38. In spite of this setback, the A's lost only three games, winning 17 out of 20. All of the boys on this year's team were veterans as far as the hardwood was concerned. The starting line-up was Magill and Lippstreu as forwards; Flores as center; and Perez and Vest as guards. Top scoring honors went to Lippstreu with 178 points, and Magill won a basketball for free-throw champ. Four boys on the first string played their last games for Armijo: "Wally" Magill, "Jess" Flores, "Pat" Vest, and "Jughead" Perez. Second stringers who proved first string quality for next year were: "Jimmy" Meehan, and "Lou" Oetinger.

SOLANO COUNTY LEAGUE CHAMPS

The Indian "B" team, last year's Southern Section Holders, had a championship season this year after showing fewer wins than the "A" team. The "B's" were defeated in their first game with Vacaville, and a loss to Benicia put the Indians back to second place. The boys, with the luck of the Irish, managed to outplay the Bulldogs in the second tilt with them by one point, making a score of 36 to 35. The following week, the Indians ran away from the Bulldogs to win the Southern Section Championship by a score of 44 to 37. The County Championship playoff held on Armijo's court, proved a tight game, but the Indian quints were really playing top-flight ball, and ran away with the northern boys' scalps by 33 to 24. First string hoopsters were: Osada, Honma, Williams, Rogers, and Thompson. Two of these quints, "Willy" Osada and "Art" Honma, played their last game on the old hardwood. First subs who will replace these boys next year were: "Chris" Flores, "Tony" Nunes, "Rudy" Ramirez, and "Art" Engell.

"C" and "D" Basketball

All the Indian teams had a chance at a championship, but only the B's and D's were successful in their tries. The C's much like the A's, were undefeated in the league, until the final playoff with Vacaville when the Bulldogs nosed out a 29-22 victory over the Indians. The C first string consisted of Lynn and Courtney as forwards; English at center; and Lavar and Marquez as guards. Bob Barnes and Rance Davis played as second string guard and forward. The D's finished their season by winning the Southern Section Championship. The D team consisted of Freshmen the first string being Nunes and Wink as forwards; Odell as center; and Chan and Smith as guards. The D's greatest league opponents were Rio Vista and Vacaville. The latter tied with the Indians for first place.

Baseball

In the spring of 1947 baseball was resumed at Armijo high, the first time since 1934 that this sport has been enjoyed by baseball fans. Under the coaching of Eddie Hopkins plus a lot of hard practice by the Indians, Armijo turned out a championship team winning gold baseballs.

Starting off with three practice games and winning two the Indians were ready for the opening of the League games. Armijo played Benicia here on their home diamond winning by a 4 to 3 score. Next they traveled to Vacaville and trounced them to the tune of 15 to 2. Meeting Clarksburg on a beautiful diamond the Indians again came home with a victory. Score: Armijo 7 and Clarksburg 4. Then came the Rio Rams to tangle with the Indians here, and the fans saw the Rams shut out the Armijo nine. Final score: Rio Vista 10 and Armijo 0. Meeting the Benicia Panthers, the Indians held the lead, until the Panthers staged a rally in the last inning, but the Armijo lads won by the close score of 4 to 3. Vacaville came here to play the Indians and were dumped very hard when the Indians ran up the score to 18 to the Bulldogs 5 runs. Again the Indian nine proved the better team when they took another game from Clarksburg here. Score: Armijo 8 runs and Clarksburg 6 runs. The Indians always seem to meet great competition when they come face to face with the Rio Rams and having lost to them once, turned on pressure, on the Rams diamond, and ran up the score of Armijo 10 and Rio Vista 4. By winning this game Armijo and Rio Vista were tied for the County Championship, so, the last game of a very successful season found these two teams meeting here on the Armijo diamond to determine who should wear the crown. The hard fighting nine from Armijo mowed down the Rio Rams by a 7 to 2 score; thus closing their season with a victory of 9 games out of the twelve game schedule.

Volleyball

Volleyball opened a busy season of sports for the girls of Armijo with Rita Rufran as manager. Interclass games were scheduled and played off. At the close of the tournaments we found that the Senior team, with their unsurpassed experience, had won the Volleyball Championship for this season. The Varsity and All-Star teams were picked, and plans were started for the playing of inter-school games. An invitation was received from the G.A.S. of Vacaville inviting our Varsity and Seniors girls on the All-Star, to play in Vacaville on December 12. It was a rather disappointing event, because we lost 31-25. Once again we tried our luck for we journeyed to Rio Vista on January 23 of this year, and both our Varsity and All-Star again bowed to the Rio Vista girls. This season of Volleyball did not bring too many honors to our girls, but it stimulated good sportsmanship and better understanding between the girls of Armijo and the girls of our neighboring schools.

Basketball

Our most successful sport to date has been basketball. Beverley Belon was manager of the basketball activities, and planned inter-class and inter-school games. After stiff competition from the Seniors, the Junior girls claimed victory in inter-class basketball tourneys. An eventful day for our Senior and Junior girls was February 6, for on our home court we played the Rio Vista girls and made them bow to us in both games, avenging our defeat in previous years. We must have been gaining a lot of publicity concerning our champion basketball teams as we were invited to play in Benicia. On this trip the Freshmen accompanied the Senior and Junior girls. The Frosh lost, but just give them time! The Benicia girls were very good hostesses even though we won our Senior and Junior games, 15-13 and 6-4 respectively. Under the able supervision of Miss Kate Jurjevich we aim to do as well in future sports as in basketball. Future social activities will include picnics, hay rides, and dances.

Senior Prophecy

DEAR DIARY . . .

The town is buzzing with excitement. Seems the great pro-football and basketball player is coming home next week to marry the mate of her choice. I can hardly wait to see Joyce Woods. They say the wedding will take place on the famous Armijo football field. Gaylord Sullivan, the lucky groom, is giving a farewell party for all his other girl friends tomorrow. Just in case Joyce changes her mind at the last minute Sullie has two extras—Helen Tricoles, who placed second in the rat race and last but not least is vivacious Nellie Wheatley. Sullie is quoted as once saying: "I really prefer Lenora McGraw. I just love the way she stands out in a crowd!"

Today while driving through Fairfield's newest addition, "International Settlement," I noticed the beautiful new "Bijou Theatre." The featured dancer this week is William Osada. Of course, the most beautiful legs in the place still belong to Harry Inn. It's rumored that the Gwendolyn Leewright Insurance Company just sold Harry an accident policy on his gorgeous gams. Beverley Belon will file suit against the poor unfortunate glamour boy. Seems Bev also has legs worth \$10,000.00.

Veva Pardis and Jackie Marchant have just returned from Alaska via the South Pole (they got to the North Pole and slipped). Barbara De-Long who was traveling with them at the time, let it be known that she did not push them. Who said anything about pushing. . . . Veva and Jackie want to know who strung that rope along the ground. Of course, it could have been a little

joke. The thing that makes them so mad is . . . they had just spotted the man of distinction, Louis Treano, when they hit the ice!

The All-Girl track team is coming to town next month. They will stay here three weeks. It will be gay to see: Joann Carender, Helen Chapin, Emma Diaz, Grace Zumpano, Jeannette Prather, Vyrlee Rosenau, and the star of the team, Dale Roberson.

Bonnie Hicks is suing Eugene Lightfoot for divorce. The judge, Charles Doolin, has asked Bonnie to show just cause why the decree should be granted. After all in this modern age of ours it is not unusual for married men to have a few dates with a glamorous celebrity. Patricia Abel says that all she wanted anyway were the free steak dinners! Manuel Perez, waiter at the "Golden Garter Pub," vouches for Miss Abel's testimony. Judge Doolin's aide, Richard Doolin, is investigating the new Cadillac Convertible which the "poor" waiter purchased last week-end.

Well, dear diary, the postman, Dominic Lattanzi, brought a letter from Leyrl Bump. Leyrl writes that she and Barbara Bidstrup have given up the search for a thorough-bred Siamese cat. They have decided to use their old tennis racquets another year. Fairfield will probably be too cold for them this summer after enjoying all that Texas sunshine. But too, I guess they will be glad to be back in the United States.

And, Diary, this morning I stopped at the three room mansion of Mr. and Mrs. Robert Barnes (Jeanne Marianno). The table was slightly

crowded with their fifteen children, but I enjoyed it. Alonzo Anderson, my druggist, told me he is going to restrict the sales of those "Super-duper Vitamins!" Alonzo has been feuding with Joe Cortijo. Joe swears he only puts one spider leg in each tablet, but Mr. Barnes claims he found three in one.

Mourned greatly by her friends is Ina Claire Freitas, who suffered a heart attack when Lloyd Wheatley finally set the date. I guess the eight years of waiting was too much for the sweet lady. Lloyd is now seeking the companionship of lovely Laura Gonsalves and LaVonne Loney.

Mary Hall, Lorraine English, and Edna Jackson left this morning on their first visit to San Francisco in five years. They plan to take in all the new shows including "You've Changed!" which stars their old buddy, Terrance "Schmo" Williams. Gene Marshall, America's Fiddlin' Fool, is also in S. F. and hopes to luncheon with the girls.

Dear Diary, life can be so crude. I was sick at heart when I learned of the break in the love life of Mary Louise Block and Edward Bowlan. After giving their adorable twins to Mr. and Mrs. Barney Bryan (Deloris Williams) they just became the parents of America's only set of quintts. At this news, Edward decided to call it quits.

Richard Lawrence, Al Faria, and Harold Finn (who headed the expedition to Arkansas) let their friends know of the six huge gold mines they discovered two years ago. Since that time, several "friends?" have gone East to join in the mad scramble for ore. It is said that Ida Cignetti now owns the largest dance palace in the state. Her only worry now is the new "Silver Dollar" club which Wally Magill opened a couple of months ago. Seems the hostesses, Velma Simmons, Donna Roughan, Bernice Roughan, and

Juanita Cortijo, who grace the "Silver Dollar" are the most popular gals in town.

Arthur Honma, mayor of Gold Rush, Arkansas, was on hand yesterday noon to greet the only Armijo graduate to attain world acclaim for his beautiful tenor voice, Gus Tricoles. A native of Ireland, Gus came to Gold Rush for a one-night engagement. Francie Downer, famous horse thief, and Gus enjoyed discussing old times over a couple of buckets of beer. Jesse Flores, owner of the smallest ranch this side of the Mississippi, recently purchased 150 mavericks. Jesse is inviting his best friends, Melvin Fong and Bernice Engell to help in the round-up and branding of the young herd.

This year's winner of the humanitarian award is Frances Seiji. Frances has dedicated her life to converting the natives of Vacaville to christianity. A statue commemorating the signing of a peace treaty between Armijo and Vacaville will be unveiled Thursday. The statue, for which the sculptor, Donald Thompson, was paid \$35,000.00, will be unveiled by David Low, President of Fairfield's W. C. T. U. (Women's Christian Temperance Union).

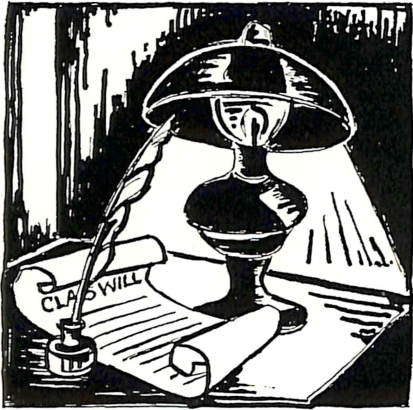

Patrick Vest, the fearless sheriff, of Fairfield is posting notices for the arrest of Wild Bill Hong and his moll, Marty Voris. A posse headed by under-sheriff Luis Ramirez, left for the hills this morning, where the couple were last seen.

Earl Elliott, wealthy real estate agent, advertised in the Morning Sun for a young, beautiful, and efficient, cook and maid. Susan Grotheer left her position with David Low, to apply for the job. Earl refused to hire her however, when he learned she was still an active member of the W. C. T. U. Marty Heredia was hired for the job as cook. "So far," Earl states, "Marty boils the water just the right way."

Humor

Seniors were born for great things,
Sophomores and Juniors for the small,
But it hasn't been determined yet
Why Freshmen were born at all.

* * * *

Barney B.: "I'm sorry I ran over your hen. Would two dollars pay for her?"
Farmer: "Better make it four. I have a rooster that was mighty fond of that
hen and the shock might kill him."

At the stroke of twelve the irascible father stopped at the head of the stairs
and shouted in the direction of the living room:

Bonnie's Father: "Young man, haven't you a self-starter?"

Eugene L.: "Don't need one as long as there's a crank in the house."

* * * *

A balky mule has four-wheel brakes,
A billy goat has bumpers,
The firefly is a bright spotlight,
The rabbits are puddle jumpers.
Camels have balloon-tired feet,
And carry spares for what they eat,
But still I think that nothing beats,
The kangaroos with rumble seats.

Mr. Brownlee: "I am glad to see you're getting to school on time these days."

Francie D.: "Yes, I bought myself a parrot."

Mr. Brownlee: "A parrot? I thought I told you to get an alarm clock."

Francie D.: "I did, but I soon got used to it. Now I put the alarm clock beside
the parrot cage and when the alarm goes off what that parrot says is enough to
wake the whole block up."

And there was a Scotchman who bought only one spur. He figured that if
one side of the horse went, the other was sure to follow.

THE FREEDOM PLEDGE

I am an American. A free American.
Free to speak—without fear.
Free to worship God in my own way;
Free to stand for what I think right;
Free to oppose what I believe wrong;
Free to choose those who govern my country.
The heritage of Freedom I pledge to uphold
For myself and all mankind.
